CENTRAL COAST KIDS DAY OUT

This year’s Kids’ Day Out will be held on Sunday 2nd November at Kariong Mountain’s High School. The day will run from 10am – 3pm.

Kids Day Out aims to support young children and their families through a day filled with fun, community and information. It is a major event on the Central Coast calendar.

There will be fun and rides for children, stalls to buy things, food stalls and information on services to support families with young children.

CCKDO has been running for 10 years and has proven to be a great family day.

Visit their website for more information.

http://www.cckdo.org/

PLANNING FOR 2015

We are currently planning for 2015 and looking at class placements.

If you wish to make me aware of any particular social needs of your child, in terms of their placement for 2015, please write to me before Friday 28th November. Please let me know even if you have informed the school previously as things change over time.

Requests for particular teachers will not be considered.

EARLY ARRIVERS – NO SUPERVISION BEFORE 8.30am

Parents and Carers are reminded that students are not to be at school prior to 8.30am. We currently have 30 – 40 students arriving before 8.30am.

Students that arrive before 8.30am are unsupervised.

I recognise that for some parents/carers they need to leave for work prior to 8.30. In these cases I suggest that you arrange for children to be dropped to a friend’s house or utilise the before school care service available on the school site.

Thank you for your co-operation in this matter.

TRYATHLON LAUNCH AT TERRIGAL PS

The Central Coast launch of the Sanitarium Weetbix Tryathlon will be held at our school on Tuesday morning. Representatives from Sanitarium and Tryathlon ambassadors Kyal and Kara (from the TV show The Block) will address an assembly of students in Years 2 -6 to explain what the Tryathlon is and how students can enter.

The launch will follow the assembly and students in 3H have been asked to be part of that launch.
RE-USE DAY
Next Wednesday students in Years 3 and 4 will be involved in a re-use day. Students will be encouraged to re-use items that would normally be sent for landfill.
This day is the initiative of two of our students who approached teachers to have this day to promote environmental awareness.
Students in other years are also encouraged to reduce their waste on this day.

SUPERHERO DISCO
Tuesday evening was a ‘super’ time at Terrigal with around 500 superheroes coming along to show off their dance powers.
Thanks to Mrs King for organising the disco. Thank you also to the many staff that gave up their personal time to supervise the disco. Thanks to the many staff members that revealed their own superhero alter-egos on the night.
Funds raised from the disco will be used to support our environmental garden, chooks and Stephanie Alexander program.

KINDER ORIENTATION
This week we welcomed our new 2015 kindergarten students and their families as they attended the first session of our transition program.

SWIM SCHOOL
Our swim school program concludes tomorrow. Students involved in the program have spent the last two weeks learning and improving their swimming skills.
Thanks to all of the supervising staff, especially those that have been in the water supporting the program. Thanks to Mrs Jones for her organisation of the program.

2015 SCHOOL PARLIAMENT NOMINEES
Next week our Year 5 nominees for Student Parliament will present their speeches to students in Years 2 – 5. Those students will then vote for our new parliament members.

BANDANNA DAY
This week we have been selling bandannas as part of our community service program. Money raised will go to CANTEEN – an organisation that supports teenagers with cancer. Thanks to Ms Wilson for organising the bandannas.
REPTILE PARK – Kindergarten

Next Friday our Kindergarten students head off to the Australian Reptile Park at Somersby for their postponed excursion. We are hoping for fine weather!

BASKETBALL GALA DAY

Today our boys’ and girls’ basketball teams are playing in gala day at the Terrigal stadium. We wish them well. Thanks to Ms Neale for her organisation of the gala day and teams.

MUSIC COUNT US IN

This week we have been part of the Music Count Us In event. Most students have been learning a song that they will sing in unison as will students from across Australia. Thanks to Mrs Pinsak for organising our participation.

GRANDPARENTS DAY

Thank you to the many Grandparents that joined our kindergarten classes for the grandparents celebration last Friday. Well done to Mrs McKay and our kindergarten team for their organisation.

SEASONS FOR GROWTH PARENT SESSION

This week Mrs Wilkinson ran the first of her Seasons For Growth sessions for parents. The Seasons for Growth program deals with grief and loss and the parent sessions help parents understand some of the emotions children go through in dealing with these situations. Thanks to Mrs Wilkinson for running the sessions and Mrs Knowles for supporting her.

MRS HARRIS

Mrs Harris returns to us on Monday as she has finished her project with her community. I have decided to leave Mrs Bateman on 1H so as not to have another disruption to the students. Mrs Harris will be undertaking a project within the school working with Aboriginal students, families and providing learning support to other students.

Congratulations Taliyah Moebus 1K!

CONGRATULATIONS
SAMANTHA BRODIE!!!!

Samantha Brodie in 2P was awarded a ‘2014 NAIDOC Medal of Excellence’ for her artwork submitted as part of our national NAIDOC celebrations. The ultimate aim of this initiative was to provide children a greater understanding on the importance of friendship and cultural diversity. There were over 66,000 entries in the visual arts category and Samantha was one of only 25 students to receive this prestigious award. The judging was adjudicated by a panel including the NAIDOC patron, Aboriginal Elders, television personality/music artist Jessica Mauboy and other members of the community.

On Tuesday 28th October, Terrigal Public School held an assembly to celebrate Samantha’s achievement. It was accompanied with performances from our indigenous choir and dance group. The executive director of NAIDOC Week 2014 School Initiatives (Mr Dylan Williams) visited Samantha’s class on Wednesday to personally present her with her ‘Medal of Excellence’. He also brought her whole class a gift of a bicycle helmet designed by Cathy Freeman.

What an achievement! Well done Samantha!
NATIONAL BANDANNA DAY!
FRIDAY 31ST OCTOBER

Terrigal Public School has a long history of supporting this charity every year and is one of the major contributors to this worthy cause. Bandanna Day is the major fundraiser for Canteen, an organisation which supports children with cancer. Bandannas will be on sale before school every morning next week from 8.30am. At only $4 each – they’re a bargain! Where will you wear your bandanna? Headband, wristband, ankleband, on your school bag, as a scarf? The possibilities are endless!! REMEMBER!! $4 each, before school every day next week! Get in early to get your choice of designs!! We only have limited numbers of each design so once they’re gone …. they’re gone!!!

Bandanna Day Co-ordinator

CRUNCH AND SIP SNIPPETS

Cherry or grape tomatoes are an easy, popular vegetable to take for Crunch & Sip. They are fun and easy to grow too. Let them ripen on the plant or at room temperature.

Refrigerating before they are ripe will reduce the flavour and ability to ripen to their full potential.

Red and yellow capsicums are sweeter than the green variety. A medley of different coloured capsicum slices makes a fun traffic light themed Crunch & Sip snack. Baby capsicums are also great to pack whole for your child.

Juicy, juicy mangos! What’s better than eating mango cheeks with your hands and letting the juice drip down your chin?! However, it might be better to pack chunks of mango in a container with a spoon for Crunch & Sip ;-)

There is widespread agreement that the eating habits of Australian children are directly or indirectly leading to serious health problems. I have devoted the last ten years to formulating a Kitchen Garden Program and overseeing its establishment in schools throughout Victoria. My commitment stems from a passionate belief that children will only develop positive attitudes towards a wide range of foods if they are introduced to the world of edible gardening, cooking and being with others around a table at an early age.

The aim of the Kitchen Garden Program is to pleasurably engage and educate young Australians in growing, harvesting, preparing and sharing delicious and healthy food, in the belief that these skills and understandings are essential to the development of lifelong joyful and healthy eating habits. The Kitchen Garden Foundation believes that behaviour is much more likely to change if an alternative is seen as pleasurable, positive and possible.

Each week children in Year 3 will spend forty minutes in an extensive vegetable garden that they have helped design, build and maintain on the school grounds. They will learn about plants, about seed saving, about water management, about compost and soil health and they will also learn about the seasons, about plant varieties, about ripeness and about the connection between care in the garden and flavour on the plate.

They will also spend 80 minutes each fortnight in a purpose-built kitchen preparing and sharing a variety of meals created from their produce.

The Stephanie Alexander Kitchen Garden Program relies solely on the generosity of others to implement the benefits of this Program. We are about to commence the implementation of the Program at Terrigal Public School. At the local school community level the Program relies on the community links they can establish with organisations and parents.

We are currently building a home style kitchen at Terrigal Public School. This is an opportunity for you to help our children gain a greater understanding and appreciation of the joys of growing and preparing their own fabulous food in order to influence their lifelong choices and ultimately their health.
