THANKYOU

We would like to give a special thank you to Betty Lawson, who is retiring from being a canteen volunteer. Betty has driven from Greystaines every month, rain, hail or shine for the past 9 years and we would like to acknowledge the commitment and dedication she has shown to TPS.

Mathematics Information Night for Parents

Next Wednesday evening we will be combining with Erina Heights Public School to present a parent information session on the new Mathematics syllabus.

The session will be held at Erina Heights Public School Hall next Wednesday from 5.30pm to 6.30pm.

Lock Down Drill

Today we had a lockdown drill as part of our ongoing Work Health and Safety procedures. It is important to undertake these drills to ensure preparedness for the real thing.

Lockdown is used when there is an issue in the school and the safest place for everybody is inside. These issues could be an unknown person on-site, danger from a storm, an external threat or an emergency situation where we need everyone inside.

Teachers have spoken to students about the drill and reassured them that everyone was safe and there wasn’t a threat. However, some students may still be concerned. Please discuss the drill with your child and reassure them that school is a safe place and undertaking these drills helps everyone to be prepared.

Seasons for Growth

Our Seasons for Growth (SFG) program concluded with a celebration last Tuesday. Families joined students and their tutors to celebrate the success of the program.

The Seasons for Growth program seeks to support students that have or are experiencing significant change in their lives. Using the ‘seasons’ as a vehicle the trained tutors work with students to share feelings, discuss resilience and provide support to each other.

Thanks you to Mrs Wilkinson who not only co-ordinates our program but trains teachers from across the coast in the SFG program. Her contribution to so many families can’t be underestimated.

Thank you also to Mr Hogan, Mrs Reynolds (Our Chaplain) and Mrs Wyard for taking groups this year.

Ticks

With our trees and gardens come ticks. We occasionally have students attend sick bay with ticks and sometimes parents report their child coming home with ticks.

Parents please be aware ticks are on our site and you may wish to check your child regularly.

The NSW Health Department fact sheet for Ticks is available via this link:

A Youtube video of how to remove a tick is available here:

Canteen Shutdown – Early Notice

As you would be aware our canteen will be refurbished over the summer holidays. The canteen will be totally gutted and then refurbished.
To help facilitate this work the canteen will cease trading on the Friday of Week 10. This means that the canteen will NOT be available for the final three days of the school term. The work on the canteen will continue through the holidays and into Term 1 next year. The P & C are working on ways it can provide a limited service in the first few weeks of next year until the canteen is operational.

We’ll provide more details closer to the time.

Yr 6 Mini-Fair

Our Year 6 students, supported by our Year 5 students will conduct their main fundraiser for the year tomorrow (Friday). Money raised will go towards the Year 6 gift to the school.

Students may wear mufti. Please consider the appropriateness of clothing. The weather forecast is for very warm weather. Please avoid singlet tops. Please ensure students have safe, enclosed shoes – no thongs, sandals or high heels. Joggers are best. Please ensure any logos or motifs on shirts etc. are appropriate for school.

Tokens will still be available tomorrow morning.

I suggest that students, particularly those in our younger grades still bring lunch and recess so that they have something a little more substantial than what is available at the mini-fair.

Reminder - this is a student-only event. Parents and other siblings do not attend.

House Captain Speeches

Congratulations to all of our Year 5 students that presented speeches for House Captain on Monday. They all did a tremendous job and made it a very difficult decision for their peers.

Successful candidates will be announced at presentation Day.

Success Outside School

Congratulations to Allanah Pitcher on being selected in the NSW Trans-Tasman athletics team to compete in New Zealand next year. Allanah will run in the 800m and 1500m races.

New Mathematics Syllabus Parent Information Night

Staff members from Terrigal Public School have joined with staff from Erina Heights Public School to plan an informative evening to help parents develop an understanding of the new mathematics syllabus. The evening will include presentations and elective workshops, covering topics such as: the difference between the old and new syllabus documents; the continuum of learning; transition to high school; aps for I pads; mathematics games for K-2 and 3-6; and subtraction with trading.

When: Wednesday 26th November, 5:30- 6:30 pm
Where: Erina Heights Public School Hall

We look forward to seeing you there.

CITIZEN OF THE WEEK

The Citizen of the week this week is Brianna Kard from 4G

Brianna is a respectful and responsible student who respects her peers. She always participates in class activities with 100% enthusiasm.

Congratulations Brianna!
**PRINCIPAL’S AWARD**

The Principal’s Award is presented to a student who has helped to make our school a happy and safe place to learn.

Congratulations Tess Flaherty from 5K.

---

**CRUNCH AND SIP SNIPPETS**

Soft drinks, cordials, sports drinks and flavoured mineral waters contain up to 6 teaspoons of sugar in every 250ml glass. Plain tap water is the best thirst quencher and the only drink permitted for Crunch & Sip.

Don’t peel your fruit and veggies as most of the fibre is found in the skin. Just give them a good wash or scrub.

Most people cook green beans to eat with a meal. Raw green beans are a great, crunchy option for Crunch & Sip and can help bump up your child’s intake of green coloured vegetables, which can often be a challenge.
