End-Of-Year/ Beginning of 2015

As the end of the year approaches rapidly a few reminders about important dates:

**Wednesday 17th December** – Last day of school for students.
**Tuesday 27th January** – School Office Open. Uniform Shop Open in the morning. Teachers return.
**Wednesday 28th January** – First day for students in Years 1 – 6

** Helpers Morning Tea**

We are lucky to have so many helpers in our school. Some helpers are able to come every week, some are able to give just an hour or two a year. We welcome all help!

As a small token of our appreciation we will be holding a morning tea for our helpers on Tuesday 9th December in the Mezzanine.

If you have helped in any way during the year you are most welcome to attend. Whether it be P&C activities, in classrooms, working bees, uniform shop, canteen, scripture, ethics, sport, library or in any other way - please come along.

**High School Orientation**

Next Wednesday our Year 6 students that will be attending Terrigal High School will be attending their orientation day. Details have been sent home previously to those students.

**Presentation Day**

Next Thursday, 4th December, we will be holding our annual Presentation Day at 9.30am. Letters have been sent home to families of students receiving awards but all families are welcome to attend.

**All Shook Up – Terrigal High School Performance**

Terrigal High School will be performing their version of ‘All Shook Up’ on Thursday 4th and Friday 5th December in the Terrigal High School hall at 7.30pm.

Our Year 5 students have been invited to watch the performance on Tuesday 2nd December and a separate note about this has been sent home to Year 5 families.

To book your own tickets for the night time performances copy and paste this link into your browser:

**End Of School Financial Year**

This Monday is the end of our financial year and change over to our 2015 budget. The office staff will be very busy and some financial transactions will not be possible during the change-over. The co-operation of parents in avoiding payments on Monday would be appreciated.

If you have received a refund from the school (e.g. for cancelled sport) I would ask that you deposit that cheque before Friday.
Reports

I am currently reading the second semester reports for students. It is a big task but one I enjoy as it gives me an insight into the achievement of students and what is happening across the school.

Reports are due to be sent home on Monday 8th December

K – 2 Concert

Our K – 2 classes will be holding and end-of-year concert for parents and carers on Thursday 11th December.

Information about tickets and the concert has previously been sent home to parents.

Mini-Fair

Congratulations to our Year 6 and Year 5 students on conducting a fabulous Mini-fair last Friday. Everyone had a great time.

Well done to all students on showing their best behaviour and participating with respect and enthusiasm.

Thank you to Mr Krisher, Mr McLeod, and the other Stage 3 teachers for their work behind the scenes. Thank you also to the many Stage 3 parents that helped out along the way.

Changes To Bus Times – Bus 68 Mornings

Busways has informed us of the following changes to bus times:
Commencing Monday 1st December 2014 there will be a change to the departure time of Morning Route 68 Service departing from Gosford Station at 7:44am and Erina Fair at 8:01 then traveling to Terrigal High School and Terrigal Public School.
As shown below:
Morning Route 68 will now depart from Gosford Station at 7:40am (4 minutes earlier) and from Erina Fair at 7:55am (6 minutes earlier).
There is no change to the route direction.

Congratulations to Mrs Barry

Congratulations to Nicole Barry (Hackett) on being inducted into the Central Coast Sporting Hall of Fame. Mrs Barry works in our school office on a casual basis. Nicole was an outstanding triathlete and represented Australia at the 2000 Olympics and won bronze at the 2002 Commonwealth Games. She won the World Triathlon Championship in 2000.

Nicole will also have a plaque added to the Gosford City Walk of fame which is a new initiative of the council and will be constructed over summer.

Movember

Congratulations to Mr McLeod, Mr Wilkinson and Mr Krisher on their successful participation in the Movember fundraising activity.

K-6 Assembly

The K-6 assembly will not be held this Friday due to concreting work.

YOU CAN DO IT PROGRAM

Here are the final three of the Nine Values of Good Character that have been published in recent newsletters.

- Respect means being kind to others and having nice manners. Examples of respect include speaking nicely to everyone, saying nice things to people and listening carefully to what others think and want to do.
- Responsibility means making good choices to do the right thing, sorting out problems without fighting, being helpful to family, friends and teachers and caring about nature and other living things.
- Accepting others means getting along with people who are different from ourselves and having all children join in. Examples of this include asking classmates from different backgrounds to join in, choosing to join in with other classmates who are from different backgrounds and accepting classmates and their families with different customs and beliefs.

CRUNCH AND SIP SNIPPETS

You may not think of radishes for Crunch & Sip, but if you plant this easy to grow vegetable in your garden your child is more likely to be keen to eat them. They will love to take them for Crunch & Sip to show their classmates the “vegetable of their labours.”

Some kids love small, raw broccoli florets for Crunch & Sip. Broccoli has many antioxidant, anti-inflammatory and detoxifying nutrients as well as having high levels of immune boosting vitamin C. Start by trying your kids with a few small, raw florets alongside another Crunch & Sip favourite to get them used to it. Use it raw in salads too.

A small slice of corn-on-the-cob is a great option for Crunch & Sip. Most kids love corn. Save a slice or two from dinner the night before, just cool and refrigerate after cooking. Alternatively, a small can of corn kernels is an option, look for low salt varieties. Don’t forget a fork or spoon and make sure your child can cope with opening the can and any liquid that may be in there.

JULIE’S CORNER

The Brave Program

A free online program for the prevention, early intervention and treatment of Youth anxiety is now available. The children’s program is for 8-12 year olds and can be accessed by children with parental consent. The program is written and run by the University of Queensland and you may gain feedback from the University as the child progresses through stages. Check it out!
