This is the final edition of Seabreeze for 2014. Wow what a big year we have experienced! Our school is certainly a dynamic place of learning.

To our families that celebrate Christmas I wish you all a very joyous festive season. For all families I hope you have a restful and safe holiday.

I look forward to seeing you all back next year.

**Terrigal High School Presentation Evening**

I had the pleasure of attending Terrigal High School’s presentation evening this week. It was great to see our ex-students being very successful and receiving awards and student leadership positions.

Our partnership with the high school is developing and will allow parents to see a clear progression from Kindergarten through to Year 12 and beyond.

**K – 2 Concert**

Congratulations to our K – 2 teachers for their concert this week. It was tremendous to see all students enjoying their moment on stage. It was also pleasing to see so many parents in attendance.

Thank you to Mrs Mellross for co-ordinating the concert and to all teachers for their work in preparing the students.

**Canteen closed at the beginning of 2015**

As you would be aware the canteen is being refurbished over the holidays and into 2015. The canteen will be closed for the first few weeks of next year.

“I met Health, Love, Peace and Joy
They needed a permanent place to stay
I gave them your address
I hope they arrive safely”

Wishing you all a safe, refreshing school break.

---

**CRUNCH AND SIP SNIPPETS**

Children rarely drink enough during break times at school and often forget to drink unless reminded. Dehydration can cause poor concentration, headaches and irritability. Be sure to pack a water bottle for your child to drink from during Crunch & Sip.

Fresh fruit and vegetables are the best option for Crunch & Sip. Small portions of dried fruit (e.g. 4 dried apricots, 1.5 tablespoons of sultanas) are permitted, but only occasionally, e.g. once a week. Fruit products such as fruit leathers, roll-ups and sticky muesli bars are not permitted, as they are often high in sugar.

Kids can be fussy about eating fruit and vegetables. They might have to be offered a food up to 10 times before they accept and eat it! Each time your child interacts with a new fruit or vegetable (seeing, touching, holding, kissing) is a step towards them eating it.
