End of Term 1/ Start of Term 2
Wow what an exciting term we have had! I’ve been really pleased to see students engaged and learning across the school. I’ve been excited to have many students visit my office or share their work when I’ve been in their rooms. It has been great to see such quality work.
Our new kindergarten students have settled in well and our Year 6 students are already looking towards their move to secondary school.
We have achieved a lot around the school with many improvements to the grounds and buildings.
Our P & C have been working hard to support the school and provide items for your children.
I’ve enjoyed my first term at Terrigal and I want to thank my staff for their support and hard work this term. I’m looking forward to the rest of the year and sharing in more quality learning across the school.
Students return to school on Tuesday 29th April.
If you live near the school please keep an eye out for any problems and call School Security on 1300 880 021.

Works over the holidays
During the autumn break we will be having some work undertaken around the school. The demountable at the top of the school will be moved up the hill a little bit. A new sound system will be installed in the hall and some repairs to the floor in the hall will also be undertaken.

New sign in and sign out procedures
We have implemented new sign in and sign out procedures for students. The new procedure is that parents signing their child in late in the morning or signing them out early in the afternoon need to go to the counter of the front office and identify themselves and state the reason for the lateness or early departure. Front office staff will enter the information directly into our welfare monitoring system and print out a docket. This docket is then given to the class teacher to verify that the student has been signed in or out. If you arrive at a classroom to pick up a child without the docket the teacher will send you to the office. These new procedures are about protecting students.

Congratulations
Congratulations to Jay on being selected in the Met North football team. Jay will play at the state carnival later in the year.

New Deputy Principal
The process for selecting our second Deputy Principal is in its final stages this week. A panel consisting of a teacher, a P & C representative, a current Deputy Principal, a representative of the Aboriginal community and a Director of Public Education have been charged with the task of advertising the role, reading the applications, conducting the interviews and selecting the person.
I am hoping that person will be in place for the beginning of next term.

ANZAC Day
Our parliament representatives and other senior students will represent our school at the ANZAC Day Dawn Service on the last Friday of the holidays.

Principal

Deputy Principal

LATE TO SCHOOL
On any given day we can have an average of 10 students late for school. Many of these students are habitually late. It is important that students arrive on time as they miss important messages about what is happening at school for the day and vital learning. It is important for students to arrive before 8.55am. I have included an article with ideas of how to get your child to school on time. If you need any assistance in getting your child to school please feel free to contact me.

Toni Formby

VOLUNTEERS NEEDED, THANKYOU
Premier's Reading Challenge (PRC) 2014

Students at Terrigal Public School are encouraged to enter the Premier’s Reading Challenge which runs until 31st August. The Challenge is opened to all students from K-6. The aim of the Challenge is to promote a love of reading. It is not a competition, but a challenge for each student to read more and to read more widely. For PRC rules and booklists please go to the Premier’s Reading Challenge website https://products.schools.nsw.edu.au/prc/booklist/home.html. The school library also has a copy of the booklists and holds most of the books on the lists.

Kindergarten and Years 1 and 2 will complete the challenge within library lessons and through class reading and their reading records will be entered online by the school. Parents are welcome to read from the PRC list at home. Students in Years 3-6 participating complete a reading log which must be returned to the school by mid August as all Student Reading Records are submitted online. Reading logs are available in the library. Some students may prefer to enter their own records online and will be shown how to do this at school.

Happy Reading!

Canteen

Birthday Cake Policy - Frozen Fruit Tubes
With our new birthday cake policy, the canteen is now able to supply 100% frozen fruit juice tubes for parents to purchase. The tubes can be purchased in a pack of 24 for your child to share with their classmates. If class numbers exceed 24, extra individual tubes can be purchased. Orders need to placed “one week” in advance online with flexischools or over the counter. We are looking at ways to have orders be able to be placed on the day of the birthday. The cost will be $12.50 for a 24 pack and 50c per extra tube. If classmates are absent on the day, unopened, leftover tubes will be sent home with the birthday child. If you order this service please inform the teacher via the diary on the day so the treats can be picked up from canteen at a time suitable for the class.

The P&C manages a school canteen to provide a service to parents through the provision of healthy lunches and small snacks at recess.

Price list are available on the Internet via Flexischools, the school website and at

the canteen. Lunch orders must be placed before 9am and will be delivered to the classrooms.

What social and emotional learning is all about

School is not only about reading, writing and arithmetic. It’s also about making friends, learning how to work with others, and knowing how to be more responsible for yourself.

Social and Emotional Learning (SEL) is about learning how to manage feelings, manage friendships and solve problems. These are essential life skills that support wellbeing and mental health. Children who have developed social and emotional skills find it easier to manage themselves, relate to others, resolve conflict and feel positive about themselves and the world around them.

Watch this space for more information on SEL throughout Term 2!

Stay safe these holidays

Keep our kids safe near roads
School holiday time is a great opportunity for families to have conversations with their children about road safety. Here are some important tips for families to talk about.

- Hold your child’s hand while in the car park, on the footpath and when crossing the road. Children should hold an adult’s hand up until they are eight years old.
- **Stop, Look, Listen, Think!**
- Always buckle up in your seatbelt and follow the national child restraint laws for 0-7 year olds.
- Help your child exit the car using the rear passenger door on the footpath side.
- Ensure your child wears a helmet and rides in a safe place away from the road while on a bike, scooter or skateboard.

Thousands of families will be on the roads setting off on road trips these holidays. As more people use our roads, it increases the risk of road trauma!

Here are some useful road safety tips to make sure your family’s journey is a safe one:
- Set off on a long trip feeling refreshed. Sleep well before travelling.
- Drive at times you’d normally be awake. Take a 15 minute break outside your car every two hours.
- Observe the speed limit and drive to the conditions. Take your time and enjoy the scenery.
- Eat well balanced meals at regular times. You need the energy for brain activity and concentration while driving.
- Secure your mobile in a fixed cradle mount and operate hands free or via Bluetooth only.
- Pack some quiet activities for the children such as portable DVD players, books, small computer games, portable music player with headphones.

Have a happy & safe Easter
