PRINCIPAL’S REPORT

Socceroos Marchpast

Last Monday a group of 35 students and a large contingent of family supporters travelled down to the Socceroos versus South Africa match at the Olympic Stadium.

The students participated in a marchpast prior to the game. Students were very excited as they were marshalled outside and then lead through a tunnel and under the stadium to emerge onto the ground. They then proceeded to march around the ground to the cheers and waves of the crowd. Students then settled in to watch the game.

Below are some of the reactions of some of the participants:

Mason (Year 6)
"It was so exciting walking up the tunnel and through the streamers and then suddenly you were in the stadium and everyone was cheering and the whole arena just surrounded me. Everyone was looking at me. It made me feel like one day I want to play for the Socceroos."

Alfie (Year 6)
"It was so loud walking up the tunnel and then I was out on the field and the stadium was so big I was just looking around. It felt like I was part of the team running out onto the pitch. The game was good too, very exciting, I couldn’t look away."

Tylah (Year 4)
"As I walked up the tunnel I had butterflies in my tummy and I was a little bit nervous. But then when we got out onto the field it was absolutely awesome. I loved watching the game too. It was exciting...head, head, head, kick, kick, kick. Australia had so many chances but the South African goalie made some great saves."

Chelsea (Year 4)
"It was so exciting. We did a lap around the field and everyone was waving and cheering. The game was so exciting too. South Africa scored and then the Aussies hit straight back. The South African fans sitting behind us were chanting and singing."

Athletics Carnival

It is my expectation that **ALL** students attending the athletics carnival come to school first and travel by bus to the carnival. This is so that we have an accurate list of students that will be at the carnival for safety reasons. Past experience has shown that allowing parents to take students directly to the Mingara results in missed students.

It is also my expectation that if parents wish to take their child home early or at the conclusion of the carnival that they have their child’s **name marked off** the official roll.
If you wish someone else to take your child home (grandparent, another student’s parent etc) you need to provide permission in writing to your child’s teacher.

**Junkyard Orchestra**

Congratulations to our Junkyard Orchestra students that performed at Erina Fair last Thursday. In such a big space our students really stood out with a powerful performance.

Due to their successful performance the school has received a grant of $3333 from Lend Lease, the owners of Erina Fair. This money will be used to replenish our percussion instrument kit and will also be put towards the work of the student environment committee.

Thanks to Mr Singh, Mr Hogan and Miss Hoppe for their work with the band.

**Trivia Night**

The P & C will be holding a Trivia Night on Friday 13th June. So get your teams together for a challenge. The trivia will commence at 8.00pm at Breakers Country Club, doors will be open at 6.30pm. Dress up or decorate your table. Lots of prizes.

**Mums Muffin Mania & Walk Safely to School**

Thank you to all of the mums, grandmas and other significant females that attended our muffin mania last Friday. It was great to see you all.

Thank you to the many families that walked to school safely as part of our organised groups or on their own.
Thank you to Mrs Mellross for organising the muffins and all of the staff who helped out. Thank you to Miss Davies for organising the walk to school groups and Mr Howes and Mrs Reid for leading groups.

**Business Directory – School App**

Do you run your own business? Would you like a way to connect directly with local potential customers? Then I have a deal for you.

As part of our School App we are organising a parent business directory. Your business can be listed in the directory in two ways at two different costs:

1. Basic Listing $25/yr = business name and contact details
2. Premium Listing $50/yr = business name, contact details and description/special offer

An application form is attached to this newsletter. If you wish to be listed on the directory please complete the application form and return it to the school.

**AFL**

Congratulations to our senior boys’ AFL on winning their way through to the next level of the Paul Kelly Cup. The boys now move on to represent the Central Coast against the Hunter champions.

Our senior girls’ team also did well and only missed out on a place at the next level on point differential.

Thank you to Mr Krisher for coaching the teams and Mr Howes for assisting.

Thank you to Mrs Williams and Mr Schweiger from the Panthers AFL Club for running the canteen on the day.

**AFL Part 2**

Congratulations to Ethan in Year 6 on his performance at the State AFL Carnival as part of the Met North AFL Team. The Met North team came third in the carnival which is their best finish for many years. Regions from the south of the state (as AFL is strong in those areas) usually dominate the carnival.

**Safety After School**

In the afternoons, parents collecting students need to keep close supervision of their children and leave the grounds as soon as possible.

As Manager of this site I am responsible for the safety of all persons on the site at all times. Lately staff have found children climbing trees and running around the school after school. Please directly supervise your students and stop them from unsafe actions.

I have instructed staff to send any children back their parents if found around the school grounds after school.

**Safety in the Staff Carpark**

Only authorised vehicles are permitted to drive onto school grounds.

I recognise that parking is not easy, however, if your vehicle is not authorised do not come onto school grounds even if you are just parking near the front gate.

Please do not exit by walking through the car park either. Please use the pedestrian exit.
Some parents with students in the support unit are authorised to drive into the school grounds to collect their child for safety reasons.

We have had a number of near misses lately and need the co-operation of parents to ensure the safety of students.

I stood at the exit the other afternoon and every parent that used the car park knew that they shouldn’t be there but did so anyway.

**TV Audition**

This Thursday some of our senior students will audition for a children’s television quiz show. We are hoping that some of our students will win through to appear on the show.

**Terrigal Public School Student Absentee Note**

If your child has to be absent from school for any reason, including arriving late or leaving early school, legally we require an explanation. Absence Notes should be sent with the child the first day they return to school or within seven days. Failure to explain an absence within this time will be recorded as an unjustified absence on a student's record.

My child ______________________________ of class was absent from school on the following date/s: _________________________________ for the following reason: _________________________________

Parent/ Guardian signature: ____________________________________________________________

Once children are enrolled parents are legally required to send them to school every day that the school is open for instruction or participation in school activities, such as sports days. A small number of absences may be justified if your child:

- has an unavoidable medical or dental appointment (preferably these should be made after school or during holidays)
- has to go to special religious ceremony
- is required to attend a serious and/or urgent family situation (e.g. a funeral)
- is too sick to go to school, or has an infectious illness.

**CITIZEN OF THE WEEK**

The Citizen of the Week this week is Blake Edghill from 3-6H.

Blake is a pleasure to have in class. He is kind, caring, a great classroom helper and a friend to all.

Well Done Blake!
Enrolments are now being taken for children starting Kindergarten in 2015.

Please see our School Office for an enrolment package. Thank you.

WALK SAFELY TO SCHOOL!
Helping children cope with fears and worries

Understanding children’s fears

Children get scared for all sorts of reasons. Often their fears seem unreasonable to adults. But even what may seem illogical to adults, can be very real to children.

Some fears are very common amongst children, with different sorts of fears appearing at different ages. Preschool children are often afraid of imaginary things like monsters hiding under the bed. In early primary school children are usually more fearful of real things that might happen, like being hurt. Later fears are more typically about possible failure at school or in sport.

Noticing when children are afraid

It’s not always easy to tell when a child is frightened or worried. Obvious things that the child responds to immediately, like thunder, are easy enough to recognise. But some things are not as obvious. Children may not tell you they are scared. Often they show it through their behaviour instead.

When children are scared or worried they may:

- Become clingy or demand that a parent or carer stay close to them
- Have sleeping difficulties or want to sleep in their parent or carer’s bed
- Lack confidence to do things they did happily before
- Avoid situations that make them feel scared or anxious
- Ask a parent or carer to do things for them or with them
- Complain of tummy aches or headaches.

Birthday Cake Policy - Frozen Fruit Tubes
With our new birthday cake policy, the canteen is now able to supply 100% frozen fruit juice tubes for parents to purchase. Please note that it is only the FROZEN FRUIT TUBES that can be purchased in BULK for birthday treats. The tubes can be purchased in a pack of 24 for your child to share with their classmates. If class numbers exceed 24, extra individual tubes can be purchased.

Orders need to placed “one week” in advance on line with flexischools or over the counter. We are looking at ways to have orders be able to be placed on the day of the birthday. We are currently in the process of ordering a new freezer to cater for one the day ordering, we will keep you updated with this.

The cost will be $12.50 for a 24 pack and 50c per extra tube.

Minutes from P&C Meetings
The last minutes can be found
If classmates are absent on the day, unopened, leftover tubes will be sent home with the birthday child.
If you order this service please inform the teacher via the diary on the day so the treats can be picked up from canteen at a time suitable for the class.

The P&C manages a school canteen to provide a service to parents through the provision of healthy lunches and small snacks at recess.

Any questions please contact: Virginia Hunt - 0418 449 853 Canteen Sub-Committee Leader

**Local Business Support**

Here are two easy ways you can earn money for our school...

1) We have teamed up with our local **Aussie Farmers Direct** milkman to raise funds.
   Jump online to: AussieFarmers.com.au/Fundraisingoffer
   If you are already a customer you can link your account to Terrigal Public School by visiting: AussieFarmers.com.au/linkmyaccount
   OR Collect a $15 gift code from the office.

2) If you shop at **Ritchies IGA** supermarkets register (at no cost) for a Community Benefit card and link your account to Terrigal Public school, each time you shop show them your card and a percentage gets donated to the school.

**Uniforms Shop News**

**Winter Tunics**

- The girls new winter tunics K-Year 4 will be with us early next week. They will be selling for $57 ($5 cheaper than the old style!)

- We have a few of the old style of winter tunics in stock available at reduced prices.

- New style of girl’s winter skirt - Years 5 & 6 Only $42.00.

We are expecting a rush in the shop next Wednesday so if you wish to avoid any queues then please order via flexischools.com.au

To give you a guide as to what size to order they are pretty close to the summer tunic sizing. However, if you do order via flexischools and are needing to change size we will happily do so. If you have preordered a tunic already these will be sent out next Wednesday.

**Summer Dresses**

We are currently experiencing problems with our last order of Girls Summer Dresses. After a few washes the fabric is badly pilling. If you have purchased a dress this year, or late last year, and you have noticed tiny balls of fluff forming on it, please email tpsuniform@gmail.com and we will arrange to have it replaced by the supplier. We apologise for the inconvenience and we will endeavor to have the problem rectified asap.

Just in time for footy season...remember you can buy blue, black and white striped footy socks from the Uniform Shop. Only $4 per pair.

Please refer to our school web site for uniform details.

- The Uniform Shop HOURS:
  Wednesday: 8.30-9.15am.

- Uniforms can also be purchased online via Flexischools. Go to www.flexischools.com.au, to register or see Canteen section above for more details.

- To buy or sell pre-loved Uniform items join our Facebook Group TPS – Pre-loved Uniforms.

Master Plan Update

What is the master plan? It is a design plan of the external school environment to guide the improvement and development of the outside of the school over the next 5-10 years. Basically it is a big wish list!

How did it come about? The P&C felt the school was looking very dated, and lacking good access and most importantly lacking interesting places for children to play. We initially just wanted to put some equipment in the top playground but were worried that without the school and education department on board we could spend our hard earned money on equipment only to find it needed to be moved to accommodate a demountable. Therefore we decided to look at the bigger picture.

How was it done? The Design Partnership, a professional local urban landscaping practice, met with the P&C and representatives from the school to look at the needs of the children and how the school environment could be improved. The resulting design plan covers many aspects such as access, play spaces, colours, light, and right down to the types of plants to be used.

Who decides what projects come first? The P&C has a Master Plan subcommittee that is chaired by the Principal and has equal representation from teachers and parents. The group meets regularly to prioritise projects and their planning.

How are these projects funded? Basically there is no Education Department funding for these projects. In order for the school environment to be improved we, as the school community, need to make it happen! The P&C fundraises with the Family Fun Fair, sausage sizzles, Mother’s and Father’s Day Stalls, the uniform shop, the canteen and events such as the upcoming Trivia Night. Having a professional plan helps us to gain donations and support from local businesses as well as apply for available grants.

Why does it take so long? In order to save funds, so that more projects can be completed, we try and do the simple work ourselves where we can. This can be hard to fit in with work and family life and anyone that has ever done home renovations knows projects always take longer and cost more than you think. Thank you to the parents and teachers who have helped at our working bees so far this year. Many hands make light work!

Where are we up to?

Slides in the top playground: these are almost finished. Some more carpentry and then preparing, mulching and planting the gardens around the slides and then we are done.

Chalkboards in top playground: These have been funded and installed by the P&C

Ena Street Project: this week an innovative joint project between the school and Hunter TAFE has commenced that will continue this term. Participants on the landscaping course will be starting to build a path from the Ena Street entrance to the school.

Recycling of felled trees: we are recycling the timber from the felled trees (as well as some mulch) for seats and play structures. The logs have to cure for a few months so please be patient whilst we wait for this. We are confident it will be worth the wait!

What can you do? If you have any particular skills that may help with our projects please let the school know. Please support our fundraising efforts when you can and look out for the working bees.
