Holidays & return

This week is the last week of Term 2. School finishes tomorrow Friday 27th June and students return on TUESDAY 15th July.

SDD- First Day of Term 3

Teachers will be involved in a professional learning day on the first day of Term 3 (Monday 14th July). Our teachers will join with teachers from Terrigal HS and Erina Heights PS for a day of professional discussion, planning and learning.

Emergency Evacuation Drill

On Wednesday afternoon we held an emergency evacuation drill as part of our workplace health and safety management plan.  
The drills are important in testing procedures and reminding staff and students of the procedures.

5 Lands Walk

Wow didn’t our piñatas look great down on the Terrigal Esplanade last Saturday. Congratulations to all of the students and teachers that created the piñatas – they made a stunning display.

5 Lands Photographic Competition

Congratulations to Tahlia on winning the Primary School section of the 5 Lands Walk Photographic Competition.  
Tahlia’s photo of the moon over Terrigal Beach was displayed in an exhibition at McMaster’s Beach. Her photo can be viewed by clicking on the link below, scrolling down and clicking on the photo of the moon:  http://5lw.weebly.com/the-famous-5-lands-photo-competition.html

Paul Kelly Cup Champions!

Congratulations to our Paul Kelly Cup AFL team on winning through to the state finals to be held at the Sydney Cricket Ground early next term.  
The team played earlier this week to defeat the other local champions and become the champions of the Hunter/Central Coast region.  
Congratulations to Mr Krisher for his coaching skills. Thanks to parents for their on-going support.

Absences

We are accountable for the attendance of all students at school during school hours. We are regularly audited to ensure we follow up absences – even short absences.  
Parents are expected to have students at school in sufficient time for them to be in class at roll marking time.  
The bell rings at 8.55am. Students should be here prior to that time so that they are present when the bell rings. Parents should allow time to find a park or drop students off – especially in wet weather.  
Students also have a role to play in making sure they get themselves up to class promptly and not dawdle on the way to class.  
Students who arrive at school after the bell should go to the office for a late note rather than go to class and then be sent back to the office.  
Parents are required to explain an absence – even if it is only a few minutes.
Royal Australian Naval Band

I hope that your children came home on Wednesday afternoon still buzzing about the visit from Royal Australian Naval Band. It was an ‘awesome’ experience for students. The traditional band played first, highlighting a range of instruments and traditional pieces. The ‘rock’ band then blasted out a couple of modern songs and had the whole school up and dancing.

Reports/Interviews

Reports were sent home with students on Monday and additional reports posted. If you have not received your report please contact the school office. Parent/Teacher interviews will be held early in Term 3. Further information regarding interviews will be provided at the beginning of next term.

Education Week

Education Week falls in the third week of next term. We will be inviting families to visit the school on Wednesday 30th July between 11.30 and 12.30.

Public Speaking Finalists

Over the last two weeks each stage has been holding their public speaking finals.Whilst I haven’t been able to listen to all of the speeches the ones I have heard have been outstanding. I am very proud of all of the speakers as it takes a great deal of courage to stand in front of a large group and speak so confidently. Well done to all of the finalists.
The stage winners will now move on to represent the school at the district finals early next term.

Buses and Havenview Rd

We are hoping that at least one lane will be available for when we return to school for the buses to pick up students. However, if this is not the case the arrangements we have had in place will continue.
Thank you to drivers around our school that have taken extra care to ensure everyone is safe. A special thank you to the students who catch buses. I have been impressed by their efforts to assist us in keeping everyone safe. Thank you to our senior students for working with us to give extra care to our younger students. I appreciate your assistance.

HOW TO SURVIVE YOUR PARENTS SPLITTING UP

Lots of parents breakup for different reasons.

Don’t blame yourself – it is not your fault.
Still show your love to both your parents,
(you don’t need to take sides).

You won’t stay sad forever.
Sad things might happen, but the good things will eventually overcome them.

It’s OK to ask questions to find out what is going on.
Find someone you trust that you can talk to.
(talk about your feelings).
Be good to yourself.

Thankyou
Julie
School Chaplin
Hi my name is Zara and this is Jaime and we are a part of the Star Struck Dance Group. We would like to tell you about our experience at Star Struck. Our group consisted of 16 students.

It was fun getting up at 5:00am in the morning with our hair and make-up done to catch the train to Newcastle Entertainment Centre for a big day of dancing. We had one major dress rehearsal on Thursday, two shows on Friday and two shows on Saturday.

Abracadabra was our first dance. It was lots of fun with lots of people in it. Our school was at the front so we were easy to see. Our costumes were sparkly green vests with green saturn capes nicely made by Mrs Lester, 5/6L and Miss Davies.

Our second dance was to Candy Man. Again we were in the front. Our costumes were white dresses with red stripes as well as red balloons on our right wrist. The stripes were painted by Mrs Lester and 5/6L.

In between dancers we had to wait in another room. This room was called the Hall of Industry. There were hundreds of primary school students in this room. This is where we got changed for our routines.

On behalf of the Star Struck dancers we would like to give a big thank you to Mrs Lester, Miss Davies and all the parents for helping us have a wonderful time.

Learning to resolve conflict

Whether they get into an argument over a game, what to watch on TV, or whose turn it is to clean up, conflicts are common in children of primary school age. Conflict is a normal part of human relationships. Sometimes conflicts blow over, but sometimes they don’t.

Adults may believe it’s best to let children sort things out by themselves. The problem with this is that often children get into conflict because they don’t have the skills to solve it themselves. If left alone the conflict gets bigger. Usually then the person who is louder, stronger or more aggressive wins.

Children do need adult help to solve conflicts. The best way to help them is not to simply tell them what they should do. It works better to act as a ‘coach’ and help children find a solution that suits everybody. When children work out solutions this way, they learn valuable skills that can help them resolve conflicts more effectively. With good coaching they can learn to use the skills of conflict resolution even when you are not around.

The things that children get into conflict over may seem minor to adults but they are real issue for children.

Unresolved conflicts can spoil friendships and affect children’s confidence. When conflicts are left simmering they can negatively affect children’s mental health.
