Voluntary School Contribution 2014

Terrigal Public School provides a quality education for students. The quality of instruction and programs at Terrigal is only possible through the generosity and support of the school community.

Each year we ask parents to contribute to the costs of running the school and providing programs and equipment.
The NSW and Australian Governments provide funding for public schools. The amount of funding allows schools to provide a basic education for students. It doesn't allow for additional items that add to the quality of the programs and equipment. Things such as the Interactive Whiteboards we have in all classrooms, air conditioning, iPads, additional books in the Library, home reading books all need to be funded through other sources.

In 2014 we are asking parents to contribute the following amounts (the amounts have not increased since 2012):

One Child  $115  
Two Children $180  
Three or more children $200

School contributions can be made by cash or cheque via a school envelope or by EFTPOS at the school office. They can also be made on-line by following the link on our webpage.

If you are unable to afford the full amount we welcome any contribution, you are able to make, towards the school costs.

**Enrol Now for 2015**

Do you have a child ready for kindergarten in 2015 or do you know someone with a child due to start school next year?

If so please encourage them to drop into school and pick up an enrolment package. It is important that we get our new enrolments in soon so that we can plan for 2015.

New families can also book in for a tour of the school on Wednesdays.

Please contact the school office on 43844599

**Business Directory – School App**

Do you run your own business? Would you like a way to connect directly with local potential customers? Then I have a deal for you.

As part of our School App we are organising a parent business directory. Your business can be listed in the directory in two ways at two different costs:

1. Basic Listing $25/yr = business name and contact details

2. Premium Listing $50/yr = business name, contact details and description/special offer

Please contact the school office to have your business listed.

We already have a couple of businesses on our directory. Now is the time to get your business there too.

**School Banking. New rewards released in term 3.**

The School Banking program provides children with an opportunity to make deposits into their personal Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a DOLLARMITES token, and once they’ve collected 10 tokens they can redeem them for a reward.

Rewards available in term 3 are:

- Handball (whilst stock lasts)
- Scented Pencils (whilst stock lasts)
- Shark or Penguin Keyring
- Whale Shark Pencil Case
- Moneybox (new release)
- Swimming Bag (new release)

Please send in your redemption card and tokens on banking day. Rewards will be delivered in 1-2 weeks. Pooling of tokens is not allowed.

If you wish for your child to participate in the program Youthsaver accounts can be opened at any branch of the Commonwealth Bank, or by calling 132221. Existing customers with NetBank access can open accounts online.
