BOYS WINNING SOCCER TEAM
**Communication with Parents**

Our main source of communications with parents is via the school newsletter. Additional notes are sent home for specific events or events that involve part of the school.

It is important for parents and caregivers to read the newsletter and note upcoming events.

**Class Visits and Performance**

We had many parents, caregivers and relatives visit school on Wednesday for our class visits and performances.

I managed to get to many classrooms and saw parents engaged in problem solving and other activities with their child and friends.

Congratulations to our training band, concert band, rockin’ recycling band, K-2 Choir, Aboriginal dance group and public speakers on their performances.

Congratulations to Amelia and Josiah on being our comperes for the performances.

Thank you to my staff for their preparation and work for the day.

**Parent/Teacher Interviews**

Many parents have already taken advantage of the opportunity for a parent/teacher interview with some teachers still doing some next week.

The feedback about the on-line booking system seems to be very positive.

If you haven’t booked an interview yet it is not too late. Please contact your child’s teacher.

**Volunteers for the Canteen**

We have had a number of our regular canteen volunteers pick up full time work recently so have been left short for helpers. A band of volunteers is important to ensure the canteen stays open five days per week.

If you are available regularly, for a day a month or can just volunteer occasionally, please contact Deslee in the canteen. All help will be gratefully accepted.

**Canteen Upgrade**

The added bonus for volunteers in the canteen will be that next year they will be working in a newly refurbished canteen.

Earlier in the year I applied for a grant under the Schools Upgrade Investment Program. I am pleased to let you know that the application was successful. The grant will allow for the full refurbishment of the interior of the canteen and will replace all of the benches, flooring and other fittings.

The work will be undertaken during December and January with the aim to have the canteen up and running again for the start of the 2015 school year. This may mean that we will have a reduced service from our canteen during construction but we will let you know more about that closer to the time.
Excursion to Sydney
Our Year 3 and 4 students went to The Rocks in Sydney on Monday and Tuesday as part of their history studies. Students undertook a guided walk around the rocks to learn about life prior to European settlement and in the early years of the colony.

Thanks to Miss Gibson for organising the excursion.

Fathers’ Day Breakfast & Stall
We will be holding a morning celebration of dads on Friday 5th September. The P & C will also have their stall on this day.

Boys’ Football (Soccer)
Our boys’ football team won their game against Erina Heights last Thursday and have progressed to the next round of the state knockout.

Visit by the State Executive of the NSWPSSA
We were visited today by the State Executive of the NSW Primary Schools Sports Association. The Executive came to our school as recognition for the hard work by our staff to organise not only our school participation in PSSA events but in organising zone, regional and state events. They, in particular, recognised the work of Mrs Burge and Mr Krisher.

Wadalba Didge Group Visit
Next Monday the Didge Group from Wadalba Community School will visit our school to work with some our boys and then perform for students.

Thanks to Mrs McDonald and Mrs McKeown for organising the visit.

Australian Museum Video Conferences
Next Monday and Friday our Stage 1 students will be involved in an interactive video conference with scientists from the Australian Museum. Students will see mini-beasts and have the opportunity to ask questions.

The classes in Stage 1 also currently have access to two “Museums in a Box” resources. These are crates from the museum with a range of resources for students to explore.

Thanks to Miss Hoppe for organising these links with the museum.

Aboriginal Performance
Next Thursday we will welcome some members of the Aboriginal community who will lead students through a range of activities to increase their cultural knowledge and understanding.

A note has been sent home previously and is available on our website.

National Schools Tree Day
Last Friday our school celebrated National Schools Tree Day in partnership with Brian Hilton Toyota and Bunnings Warehouse. More than 190 trees and bushes were planted by students in Years 2 and 3.

The goals for the National Schools Tree Day are for students to do something positive for the environment and to reconnect with nature. Both of those things were at the forefront of our celebrations as students got their hands dirty and worked hard planting.
Prior to the planting students had learnt about the importance of planting trees for the environment. They learnt about the importance of planting Australian natives to provide habitats and food for wildlife, the importance of trees in locking up carbon and reducing global warming.

Dennis from Bunnings taught the students how to successfully plant the trees and the students set to work in pairs to dig holes and plant the trees.

The great thing about the day was not only did students do a great thing for the environment they have brightened up the school and made their own playground a much nicer place to be. Thanks to Brian Hilton Toyota and Bunnings the students involved have learnt a very valuable lesson in caring for the environment.

Terrigal Public School’s grounds improvement co-ordinator Leza Atkinson enjoyed seeing the pride and happiness in students as they planted. “The children learnt how they can work locally, with our community, to make a difference for the wider environment. The smiles on their faces as they surveyed their efforts was amazing.”

Mrs Atkinson found that the excitement of students was infectious. “Some of the students had never planted a plant before and were so excited to have opportunity to get their hands dirty.”

Dear Parents, Grandparents, Uncles and Aunties,

Whatever thoughts you may have previously had about being a canteen volunteer, think again! Spend some time lending a hand and you will get to experience the awesome environment your children (grandchildren, nieces, nephews) are a part of.

The Canteen operates five days a week. Your decision to be a volunteer is greatly appreciated. With your continued support we can provide the school community a quality Canteen service, offering fresh and healthy foods at reasonable prices.

We are striving to serve more fresh and homemade goods, which has resulted in more children coming to the canteen. It is a pleasure for us to be able to cook for and serve both students and staff and we would love for you to be a part of this with us.

During your volunteering experience you will get to enjoy a coffee and light lunch, meet new people, including myself (Canteen Sub-Committee Manager) and Deslee James (Canteen Manager).

Having you at the canteen, even if it is only for a couple of hours can be very exciting for the children.
