Next Friday students can bring along a gold coin donation and use it to buy one of the donated books.

Money raised will be donated to the indigenous literacy foundation. Thanks to Miss Hoppe for organising the swap.

Break in – Important Information if you submitted book club orders or team photo orders prior to last weekend

Unfortunately the school was broken in to last Sunday night. The thieves broke into the administration building and then smashed their way through internal doors and security.

Unfortunately part of what they took was a box containing forms and paperwork, believing there was cash in the box.

This included book club order forms, photo order forms, and jump rope forms. Whilst most of the cash had been banked the forms themselves and some cheques were taken.

This means that we will need to get this information from parents again. I have sent letters and forms to many parents but there may be some more parents that we missed (as students were away, at choir in Sydney or just missed).

There is information about Book Club orders and team photo orders on the school website. I encourage parents to read this information if they submitted book club orders or team photo orders prior to last weekend. I will send further information about jump rope forms later.

How to be the boss of your feelings

Know how you feel – (and why you feel this way).
Say how you feel – (to yourself – or to another person).
Do something about how you feel – (but don’t hurt anyone – including yourself).

If you are angry with someone it is OK to tell them kindly.
Remember... feelings are good, but sometimes they may lead us to do bad things, so it is best to be boss of your feelings instead of them being boss of you.

14th August 2014

Dear Parents and Caregivers,

Life Education NSW and the Healthy Harold mobile classroom will be visiting our school in Term 3.

Life Education NSW provide positive, preventative drug and health education programs aimed to encourage young people to make smart life choices for a healthy future. The programs address many of the components and objectives within the NSW Personal Development Health and Physical Education curriculum. Topics that will be covered include healthy food choices, importance of physical activity, personal safety, body workings, medicines, consequences of smoking and alcohol use, peer influence and friendship.

Class programs have been selected so that they are stage appropriate for each class.

Each class will be attending an education session during the period Monday 1st September 2014 to Wednesday 17th September.

The cost per child is $9.00 and this includes the Life Education session, a student workbook and a sticker for each child. The resources and information from each session complement the programs being covered in the classroom and will provide for ongoing discussion and activities.

If you have any queries in regards to this valuable educational experience please contact your child’s classroom teacher.

Please return the permission note and $9.00 per child to the front office by Thursday 28th August.

Permission notes were sent home with students this week. If you require a replacement note they are available from the front office or classroom teachers.

Thankyou.

Supporting your child following separation and divorce

A program that so many of you have hinted for is now available!
We are happy to offer The Parents Program - a workshop that helps you understand what your child is going through, after separation and divorce, and how you can help.

Invites will be coming home next week, however, before their arrival it is important to note:
✓ The workshop / course is available to any parents of children who have been affected by separation. Your child does not have to have been / or to be a participant in the 'Seasons for Growth' for young people Program, for you to attend
✓ Workshops will be scheduled so that parents of children are able to attend the Course at different times

Father’s Day Stall
Friday 5th September 2014

For those of you new to the school this is a fundraiser for the P&C that enables children to buy their Dad a gift for Father’s Day on the 5th September 2014.

How does it work?

If you want your child to purchase a gift on the day you need to donate a gift, (If your child is buying 2 presents you need to donate 2 gifts). This year to try and avoid disappointments, we are asking that your child please hand in their donations to their teachers, where they will mark down that your child has made a donation. It would be a great help to the volunteer wrappers, if you are able to wrap the present in clear cellophane.

IMPORTANT Please note: There will be NO Father’s Day box for donations in the office, if you wish to hand in a gift to the office, please hand it to the ladies at the front desk and leave your child’s name and class with them.

On Friday 5th September 2014, remember to give your child money to spend at the stall. We are hoping to price the gifts at $2, $5 & $10. Each class visits the stall (in the mezzanine) in turn to purchase their gifts and you get a nice surprise on Father’s Day!

If you are able to volunteer your time to help with the wrapping and sorting of the donations, or to help at the stall, helpers are needed on Thursday 4th September and Friday 5th September.

Please contact Sally Carr at sally@geecarr.net for further details.

In short

- Gifts wrapped in clear cellophane & given to the class teacher (there will be no box in the office)
- Remember to give your child money on Friday 5th September 2014.
- If you wish to help email sally@geecarr.net or leave your details at the office

The Father’s Day Stall is proudly brought to you by the great P&C Team at Terrigal Public School

Dear Parents, Grandparents, Uncles and Aunties,

Whatever thoughts you may have previously had about being a canteen volunteer, think again! Spend some time lending a hand and you will get to experience the awesome environment your children (grandchildren, nieces, nephews) are a part of.

The Canteen operates five days a week. Your decision to be a volunteer is greatly appreciated. With your continued support we can provide the school community a quality Canteen service, offering fresh and healthy foods at reasonable prices.

We are striving to serve more fresh and homemade goods, which has resulted in more children coming to the canteen. It is a pleasure for us to be able to cook for and serve both students and staff and we would love for you to be a part of this with us.

During your volunteering experience you will get to enjoy a coffee and light lunch, meet new people, including myself (Canteen Sub-Committee Manager) and Deslee James (Canteen Manager).

Having you at the canteen, even if it is only for a couple of hours can be very exciting for the children.
