End of Term 3

This is the last Sea Breeze for Term 3. It has been a busy term with lots of amazing opportunities for students. I wish everyone a safe and enjoyable spring school holiday.

Term 3 concludes this Friday 19th September.

Term 4 commences on Tuesday 7th October (Monday 6th is a Public Holiday).

Gulang Festival

Some of our students are involved in the lead up to the Gulang Festival to be held in the first week back of next term.

The Gulang Festival is an initiative of the Kurriwa AECG and involves schools across our local area. The Festival is designed to celebrate our Aboriginal community and help build relationships with the broader community partnerships.

Our Aboriginal students currently have their artwork displayed at Charter Square (The old Bay Village) at Bateau Bay. Monique, from Year 2, won an outstanding achievement award for her artwork.

On the actual festival day our Aboriginal dance group and choir will perform. Both of these groups include Aboriginal and non-Aboriginal students working together to present cultural items.

Three of our Aboriginal students will also receive awards on the day of the festival.

Students also created a combined artwork as part of the Festival. A larger version of their artwork has been created and displayed on the wall of our school hall. The artwork features our school logo with cultural symbols depicting the journey of our community towards working together.

Thanks to Mrs McDonald, Mrs Woodward and Mrs Alvarez for their work in preparing for the festival.

Movie Night Postponed

With ongoing showers of rain our oval hasn’t had the opportunity to dry out sufficiently to hold the movie night. Therefore the movie night has been postponed to Thursday 16th October.

K – 2 Athletics Postponed

With ongoing showers of rain our oval hasn’t had the opportunity to dry out sufficiently to hold the K – 2 athletics carnival. Therefore we have postponed the carnival to Monday 13th October.

Early Career Teachers

This term we have been lucky enough to have 7 amazing early career teachers undertaking their internship at Terrigal PS. The internship is a critical step in ensuring that we are producing quality teachers for the future.
These interns have taught alongside our experienced teachers and then assumed the ‘reins’ of the class. They have been supervised by the class teacher and a representative from the university.

Congratulations to Miss Kirsten Gorsky on 3 – 6K, Mrs Amelia Johnston on Learning Support, Miss Ashleigh Goder on KS, Miss Nicole Tweedie on K – 4M, Miss Nicole Roberts on 5N, Mr Nathan Webster- Holland on 1/2J, Miss Paige Brandy on KH. We wish them well in their future careers.

Thank you to our teachers for providing professional advice, guidance and feedback to our interns.

**Year 5 Camp**

Well it certainly sounds like our Year 5 students had a great time at camp this week. From the big swing to canoeing students got active and, for many, overcame their fears.

Thanks again to Mr McLeod, Ms Neale, Mr Krisher and Mrs Roberts for giving up time away from their families to provide this opportunity to students.

**Student Safety – School Car Park**

- Please do not walk through the school carpark with your children.
- Please do not use the school carpark to drop off or pick up your child(ren)

Parents and unauthorised vehicles entering the carpark put students and staff at increased risk.

**Stage 3 Sport – Term 4**

A note about Stage 3 sport will be sent home this week. The note outlines choices for next term.

As we had some wash-outs this term funds not used this term can be applied to sport next term. Early next term each child will receive an individual invoice that outlines amounts left over from this term and costs for next term.

If you have any questions please contact the school office.

**Writing Competition**

The P & C events committee are holding a writing competition for students.

To coincide with the P & C Outdoor Movie Night students are asked to creatively write on the theme of “My Lego Adventure”. Some ideas include:

If I was the size of a Lego man……..
If I lived in Lego land……..
If I was a Lego brick, what would I become?

**Word Limit:** 500 words maximum (of course younger students may write less)

**Deadline:** Entries close at 3pm on Friday 24th October.

Stories are to be written by the child without assistance.
The **criteria** for judging will be:

- a creative, engaging beginning that ‘hooks’ the reader;
- an engaging complication and resolution;
- strong descriptive language (eg adjectives, adverbs)
- effective imagery (eg similes, metaphors etc)
- well-constructed sentences;
- consistently correct spelling;
- appropriate grammar and punctuation;
- child’s own handwriting;
- name and class included at the end of the story.

There will be a number of prizes for the best entries. Each class will choose a story to be submitted to the final judging panel, that will include staff and P & C representatives.

**Parent Online Payments (POP)**

Our Parent Online Payment (POP) system is now up and running. You can now make school payments online by accessing our school website and clicking on the **“Make a Payment”** Link.

This link will take you to a Westpac site where you can make payments directly to the school.

Items that can be paid include voluntary school contributions, excursions, sports, sales to students (such as the Year 6 jumper) and creative and practical arts activities (these include band, drama and dance). There is also a category called ‘Other’ this to cover items not covered in the previous headings, ‘Other’ can be used to make a complete payment of a school invoice.

When you access the **S Make a payment** you must enter:

- the students name and class **OR**
- the students name and date of birth
- **there is no option to add multiple students in a single payment, please process each child separately**

Feel free to speak to me if you want more information.

**School Banking Day Reminder**

Don’t forget that TUESDAY is School Banking day and students should bring in their weekly deposit.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their continued savings behaviour.

Remember our school earns 5% commission on every deposit made (to a maximum of $10 per individual deposit). Thank you for supporting the School Banking program at Terrigal.
Nature’s Music
by Chloë, 3/4 W

When I hear nature’s sound,
It brings the happiness all around
From blowing winds and splashing seas,
To the humming birds and buzzing bees.
With leaves rustling through the trees
Brings harmonies with melodies.
Some are silent, some are loud,
But no matter what, they’re all around.
Just listen out for nature’s call,
Because it’s there for not one, but all.
Wherever you go and whenever you’re out
Listen carefully for nature’s shout.

Rock Music
By Josh, 3/4 W

Music blasting through your brain
Eardrums breaking left to right
Splashes of the violent sea
Rock is washing over me
Little time for soft music
Big time for air guitar!
Light a match and burn the notes
Make some freestyle notes yourself
Excitement coursing through my veins.

Operation Christmas Child 2014

Let’s do it again!

Operate from our hearts and fill as many shoe boxes with small gifts as possible, for the children around the world, who would otherwise miss out at Christmas. We have 100 boxes in the school office ready to go, and more available if need be!

Operation Christmas Child is a unique project of Samaritan’s Purse that brings joy and hope to so many children in desperate situations around the world. In 2011, you generous people in Australia and New Zealand delivered over 600,000 gift-filled shoe boxes to South East Asia and the South Pacific. Globally, Samaritan’s Purse distributed an estimated 7.6 million shoe boxes to children in 105 countries.

Check “The Power of a Simple Gift-“ on Terrigal Public School Homepage.

Friends and family can be part of the Terrigal Public School contribution. Last year, my 25 year old asked me to bring home a box home, so he could fill it! A suggestion was made last year to collect everything and have a ‘shoe box working-bee’ to fill our boxes. So you could either:

✔ Pick up a box, go shopping with your child/ren for a certain age boy or girl, and pack lots of small, new, non-perishable gifts with your added love; or
✔ Deliver a pack of items when we have our weekly drive; or
✔ Make a financial donation toward the cost of delivery

Boxes are due back ASAP to put under our Christmas Tree, before ‘take-off’ in October. Hence:

Week 7: Please bring in **ropes & writing utensils** – skipping, elastics, hair ropes, ribbons, clips, friendship bands and bangles.

Week 8: Please bring in **balls & toys** – tennis balls, hand balls, super balls, marble bags, knuckles, travel games, card packs (and any other clever things you can think of to put in)

Week 9: **Things to wear & soft toys** - socks, gloves, mittens, scarves, beanies, hats, visors, sunglasses, beads, bears, dolls,

Thank you in anticipation of our usual huge, generous response!

Parent Invitation:

Seasons for Growth® Parent Program: 
Supporting your child following separation and divorce

Terrigal Public School is delighted to be offering a new program for parents this term – the ‘Seasons for Growth® Parent Program’- Supporting your child following separation or divorce’.
Since 1999, Terrigal Public School has offered the highly successful Seasons for Growth® program for children and young people. For many years parents, whose children have participated in the Seasons for Growth® Young People’s Program, have been asking ‘is there a program that can help parents, too’?

The Seasons for Growth® Parent Program has been developed to meet this need. The program provides an opportunity for you to reflect on the experience of separation and divorce from your child’s perspective, and to explore ideas and strategies that might help you support your child/ren through the changes happening in your family. This program is evidence based and the result of many years of research.

The Seasons for Growth® Parent Program: Supporting your child following separation or divorce is a small group program for 6-12 parents. It will be held over a two-week period - 2 hours per session.

The program will be held either during the school day (9am to 11am) and / or an evening course (6pm to 8pm). This program is for parents only.
The school will work with the Parents and Carers and provide availability for as many parents who are interested and wish to complete the workshop. This may mean running the course a number of times between now and the end of the year, and offering a mix of day time and evening workshops.

For more information and/or to express your interest in taking part in the ‘Seasons for Growth® Parent Program’, please fill in the slip below and return to our school office ASAP.

Father's Day Stall

THANK YOU to all those Mum’s who helped out on the Father’s Day stall last Thursday and Friday. It was wonderful to see those happy faces, take great pride in choosing what they thought Dad would like.

Our canteen also received a great trade that day.

We raised $2778 nearly $300 more than last year. This money will go towards the new entry into the school, which will be done over the school holidays.

All the fencing near the entry way will be gone and a new wood feature will be made, using our trees that were needed to be cut down due to safety reasons.

Father's Day Raffle

Our first every Father’s Day Raffle made us a total of a little over $330. Well done to everyone involved, was a great success for our first one and great to see so many Dad’s there. Next year it will be bigger and better.

THANK YOU to
