Parents Please Do Not Enter our School Car Park

Thank you to all of our families who continue to consider the safety of everyone when picking up and dropping off their child. Unfortunately we still have some parents coming into the car park in the mornings and afternoons. Please do not enter the car park. Your presence increases the risk to the safety of others. I understand that parking around the school is difficult and this is exacerbated if you have a toddler. However, I need everyone to be safe. Most people I challenge in our car park tell me that it is their ‘first time’ and it is a shame, after doing the right thing most of the time, parents choose to put other’s safety at risk. The car park is used at pick up and drop off times for the students from our support unit to be collected. Additional cars coming and going creates additional risk. If you are not an authorised vehicle do not enter the school grounds during these times.

Canteen to Re-open next Wednesday 25th February

The renovations to our canteen are just about complete. I expect to receive the ‘keys’ to the fresh and new canteen on Friday afternoon. The canteen will need a couple of days to re-stock and become fully functional. We are aiming to have the canteen open for orders from next Wednesday 25th February. Flexischools will be back on-line for orders. I want to recognise Desley James, Virginia Hunt and Yvette Schweiger for their input into the design and construction of the canteen. I also want to acknowledge that the renovation was only possible through a grant from the state government. Thank you also to parents for their co-operation during construction. The canteen now complies with all food, health and safety standards and looks great as well. Tomorrow morning (Friday) after assembly there will be an opportunity for parents to view the new and improved canteen.

Class Liaison Information

Teachers provided information about the P & C parent liaison program at information nights. There was an opportunity for parents to nominate themselves as the class representative. There was also an opportunity for parents to provide their details so the parent liaison person can contact. The program is voluntary but many parents have found that sharing their information has allowed them to become more of a part of the school community. If you want to be involved and didn’t get a chance to provide your information please let your teacher know through the student diary.

Student leadership Induction

Next Wednesday we will induct our student parliament leaders for 2015. The ceremony will be held in the school hall at 10am and parents are welcome to attend. Mr Chris Hartcher will be our official guest for the ceremony.
Homework Changes

Homework is often the subject of some debate within school communities. Some families love homework and expect the school to provide homework. Other families find that homework doesn’t meet their child’s needs or fit within their family’s busy schedule.
Some of our year groups are trying out different forms of homework to get the balance right.

5 Lands Walk Photo Workshop

Today 30 of our senior students took part in a photographic workshop as part of the 5 Lands Walk. Students worked with a professional photographer to learn about composition, framing and printing.
One of the photos will be selected for display at the Regional Art Gallery during the 5 Lands Walk Festival, others will be displayed at the 5 Lands Walk art exhibition at McMasters Beach SLSC.

Surf Fun Day

Our Year 6 students attended a surf fun day at Terrigal Beach this Wednesday. The students learnt about safety at the beach and the importance of swimming between the flags. They also learnt about rips and tides. They enjoyed participating in a range of physical activities including board riding, rescues, volleyball and relays. The day was organised by Surf Live Saving New South Wales.

Parent Information Night

Thank you to all of the families who attended the parent information night this Wednesday and thank you also to our teachers who gave up their own time to run this event. These nights are an excellent opportunity for building strong partnerships between home and school.

Swimming Carnival

Our school swimming carnival will be held next Tuesday 24th February. Notes have been sent home to all Year 3-6 students and Year 2 students who are turning eight this year. Please return permission notes and money to the school office by Friday 20th February.

Michael Burgess
Principal
Notes for our 2015 bookpacks have now all been sent home and money is due. Bookpacks contain all of the books and textbooks students will need during the year.

If you haven’t received your note, you can always check our website under “Notes and Forms”. To get to our website simply type www.terrigal-p.schools.nsw.edu.au

Once money is received, bookpacks are sent to the child’s class for the teacher to distribute books as needed.

Payments can be made in the office in cash, by cheque or via eftpos. We now also offer a parent online payment (POP) system, which I encourage you to use.

You can access the online payment system by going to our school website and clicking on the “$ Make a Payment” Link.

Newsletter Emailing – sign up via our App

Now that our School App is fully set up parents can opt to have the school newsletter emailed to them.

In the App go to the “More” tab and then select “Join our eNewsletter”. You will be asked to put in your name and email address. (There are other questions but these are optional). You will then receive the newsletter via email as well as having the option to view on line via our App or website.

**PARLIAMENT REPORT**

Parliament has made a successful start to 2015. We have had a few meetings and we have received our ministerial roles for the year.

We are starting to get ready for the Induction Ceremony, which will take place on the 25th February at 10am.

Start doing some chores, because it's nearly the Easter Raffle! We are asking if we could please start having donations of chocolate and Easter eggs. There will be a box in the office for donations.

Parliament is so excited to be your school leaders for this year. We are also looking forward to a happy and positive 2015!

_Ella Powell_
_Minister of Communication_

**BOOK CLUB**

Please return Book Club Orders to the office by Friday, 20 February

Orders should have name and class on both the order and envelope. Thankyou

**JULIE'S CORNER**

When two or more people don't agree it is easy to fight it out angrily or just give in which doesn't really solve anything.

*Stop and ask yourself:*

_Do you have a problem?*

What is the problem?

Are the feelings that you are showing making it easy for the other person to talk to you about it?

Are you making it hard for the other person because you look angry and sound annoyed?

_Are you showing your true feelings?*

Do you do what you want to see happen?

Is it asking too much?
Things are progressing well with the installation of a school kitchen in the mezzanine area. Thank you very much to those families who have donated items for our kitchen set up. There are still many items we need to acquire to complete the kitchen. Each week I will include items we are seeking.

This week we are in need of the following:

- 1 set of measuring scales up to 6kg
- 4 non-stick muffin trays
- Bamboo steamer and lid
- Storage baskets for pantry items

Please see school display board for other items needed.

We need to be able to seat at least 35 people for each shared dining experience. It doesn’t matter if our dinnerware doesn’t match, as long as we have enough eating utensils and plates to go round.

If you are able to help, please leave any donations in the school office.

Program Coordinator

CATHOLIC SCRIPTURE

To Parents of Catholic SRE Students

Parish Sacramental Program notices will be distributed via SRE students. Enrolments for Reconciliation end on 22nd Feb, at the parish office/church. Enquiries to Parish: 4367 4610.

ANZAC CENTENARY COMMEMORATION

As part of the centenary of the Gallipoli campaign, students from Years 5 and 6 will be creating posters to display information on aspects of the First World War. The plan is to put these posters on public display in our community during the weeks around ANZAC Day.

One area of research we are seeking your help with is in collecting information about people who served in the armed forces in times of war, and in particular, those involved in the Great War.

These service men and women could be relatives of yours or of your friends. Any local personnel would be very desirable. The information we are seeking might include D.O.B., branch of service, rank, places served in, scanned photos or documents and any brief anecdotes about their experiences.

Please consider participating in this school community venture. Contact Mr Hogan through the office to seek any clarification or to pass on the materials you collect.
