New Classes

We moved into our new classes on Monday and students have settled quickly into their learning routines for 2015. Classes are very settled and students happy to be back.

I have included a staff list later in the newsletter.

Thank you to parents for your patience and support whilst we checked numbers and formed classes. Teachers have spent a great deal of time forming classes that balance the needs of individuals with the needs of the whole group. Thank you to parents for building resilience in your child by accepting class placements and encouraging students to make the most of new opportunities.

Parent Information Nights

Each stage/class will hold an information night for parents/caregivers on Wednesday 18th February. (Kindergarten will hold theirs next Tuesday evening – kinder parents have already received advice about this evening)

Each stage will meet in the school hall first for general information and then move to their child’s classroom, with your child’s teacher, for specific information.

4pm – 5pm Stage 1 classes
5pm – 6pm Stage 2 classes
6pm – 7pm Stage 3 classes

We recognise that it is not possible for all parents/caregivers to attend at these times and an information sheet (covering what was spoken about at the sessions) will be made available to students the following day.

Please remember that this is a general information session and not a parent/teacher interview. If you have specific questions about your child please make an appointment to speak with your child’s teacher.

Parents and Citizens Association – meeting next Monday evening

Next Monday (9th February) the P & C will hold their first meeting for 2015. The P & C meets in the school staffroom (entry via the front office) at 7pm. Parents and caregivers are most welcome to attend.

The P & C plays a vital role within the school. They provide feedback and advice on a range of issues, they have input into school planning and raise funds to support programs within the school. They also provide services to students such as the canteen, uniform shop and student banking.

This year the P & C will conduct the Terrigal Family Fun Fair on the 10th October. The Fair is the major fund raiser for the P & C and is held every two years.

The P & C welcomes all sorts of contributors. We have some members that can give many hours and other members that can contribute an hour or two here and there. Every bit of help is appreciated.
P & C membership applicants are presented at this meeting and then have full voting rights at the next meeting. You can turn up on Monday night and pay your memberships fee (just $2) and participate in the meeting but only vote from the next meeting.

In last week’s newsletter I made an error and identified Mandy Austin as one of our P & C Vice Presidents. Whilst Mandy is a great supporter of the school and P & C she is not currently the Vice President. The second Vice President is in fact Belinda Tolman.

**Playground Equipment**

Despite the rain students in Years 2 – 6 have had the opportunity to use our new timber playground equipment. Students have really enjoyed the challenge of balancing and using their core for stability. I think after a few months we’ll have the school with the best balancing students in the state! Watching students this week I have noticed even within a short time how students that struggled to complete a ‘lap’ earlier in the week are now balancing all the way around.

Whilst the equipment meets safety standards there is some risk in using any equipment. Teachers have been over some simple rules and correct usage techniques with students. So far students have been very safe on the equipment and have been following the rules.

The equipment is just one example of the work of the P & C.

**Arrival Before 8.30am**

School commences at 8.55am in the mornings. To assist with traffic congestion and safety we provide supervision in the bottom and top COLA areas from 8.30am.

Students should not arrive at school prior to 8.30am. Students are NOT supervised prior to 8.30am.

If your child happens to arrive prior to 8.30am they are to proceed to the bottom COLA area and sit on the seats outside the office and wait until the teacher comes on duty. They are not to play or move around the school. Students that do not follow this procedure may be issued with a purple discipline form.
**Supervision at the End of the Day**

I ask that parents collecting their child at the end of the day ensure that they supervise their child closely. Even though your child has been released to your supervision I still have a responsibility (as manager of the site) for your safety.

Please collect your child and leave the grounds promptly. Students should not be allowed to climb trees, swing/slide on rails, play on equipment or roam the school.

**New Volunteer Sign-On Procedure**

If you are volunteering at the school you need to sign in and wear a visitor sticker for the safety of students.

This year there is a new procedure for the first time you sign in as a volunteer. You need to take and read a safety brochure. You then need one of the office people to sign off that you have read the brochure.

The other thing you will need to do the first time is sign a declaration that you are not a prohibited person from working with children. This needs to be signed each year so you will need to sign another declaration even if you have signed one previously.

Once you have done both of these the first time you will just need to sign in each time you volunteer.

**Dogs At School**

School grounds are covered by the Companion Animals Act (1998). This act prohibits dogs from school grounds.

Please do not bring your dog on to school grounds.

**Staff Carpark**

Parents do not enter the school staff carpark at anytime. The carpark needs to be clear for delivery vehicles and for support unit student pick up/drop off.

**On-line Payments**

Parents are able to pay for most school items on-line via a secure portal operated by the Westpac Bank. The link to the portal is on our school website.

Click on the $Make A Payment link (see picture below). This will take you to the Westpac payment site. Complete the details and make the payment. Please note your receipt number and write this on the permission slip where appropriate.
Permission Notes

Teachers send home permission notes for a variety of activities and excursions. It is important for parents to read the notes carefully and understand what their consent entails.

Please cross out “consent” or “do not consent” on the form and make sure you sign and date the permission slip.

New Kindergarten Students

One hundred and four new kindergarten students have started this week and we welcome them and their families. It was great to have such a smooth start on Monday with very few tears.....even from the parents!

Notes for our 2015 bookpacks have now all been sent home. Bookpacks contain all of the books and textbooks students will need during the year.

If you haven’t received your note, you can always check our website under “Notes and Forms”. To get to our website simply type www.terrigal-p.schools.nsw.edu.au

Once money is received, bookpacks are sent to the child’s class for the teacher to distribute books as needed.

Payments can be made in the office in cash, by cheque or via eftpos.

**We now also offer a parent online payment (POP) system, which I encourage you to use.**

You can access the online payment system by going to our school website and clicking on the “$ Make a Payment” Link.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school. You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child’s account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

Items that can be paid include voluntary school contributions, excursions, sports, sales to students (such as the Year 6 jumper) and creative and practical arts activities (these include band, drama and dance). There is also a category called ‘Other’ this is to cover items not covered in the previous headings, ‘Other’ can be used to make a complete payment of a school invoice.

When you access the $ Make a payment you must enter:

- the student’s name, and class and reference number **OR**
- the student’s name, and date of birth.

For any enquiries regarding the Online Payment process please contact the School Administration Office on 4384 4599.

**KINDERGARTEN INFORMATION NIGHT**

Next Tuesday, 10th February, we are holding our Kindergarten Information Night from 6-7pm in the school hall. We encourage all Kindergarten parents to attend and look forward to seeing you there.

*Assistant Principal*
Things are progressing well with the installation of a school kitchen in the mezzanine area. Thank you very much to those families who have donated items for our kitchen set up. There are still many items we need to acquire to complete the kitchen. Each week I will include items we are seeking.

This week we are in need of the following:

Mortar and pestle

Knives, forks and spoons (doesn’t need to match)

Dinnerware (doesn’t need to match)

We need to be able to seat at least 35 people for each shared dining experience. It doesn’t matter if our dinnerware doesn’t match, as long as we have enough eating utensils and plates to go round.

If you are able to help, please leave any donations in the school office.

Focus On The Positive Aspects

This term students will begin to learn the key foundation of GETTING ALONG. Developing skills in the key foundation areas help children to be successful and happy in all area of their lives.

Here are some practical tips to help your child GET ALONG.

- Teach your child what to say when he/she meets someone new (introduce himself/herself by name, say hello, smile)
- Communicate with a positive tone of voice, not a negative tone.
- Acknowledge and praise your child when he/she is demonstrating good getting along skills

Over the next few weeks more practical tips will be published in the newsletter to help your child GET ALONG.

Make life more predictable for your child
start building in regular routines

Nobody copes well, when tired or hungry.
Set up a regular time to catch up with your child

Listen to what they are sharing with you.
The Terrigal P&C is the open community parent group which organises activities to raise much needed funds for our educational programs. It also provides a forum where parents can learn about and be involved with the schools plans and activities.

Our first P&C meeting is coming up on the **Monday 9th February at 7pm** in the school staff room – all are welcome. School gates will be locked at this time so please enter through the staff carpark off Havenview Rd.

**Membership**

For our new members and attendees it costs $1 for annual membership of the P&C. This gives you the right to vote at meetings and stand for an elected position. It also provides insurance for you when involved in P&C events. Once membership is paid at a meeting you can then vote at the following meeting.

If you would like to vote or stand for a position at the AGM on **16th March** you must have paid your $1 membership before or at the meeting on the **9th of February**. Memberships run from AGM to AGM so any existing members will need to renew their membership at the AGM or after this time.

Membership can be paid to our Treasurer - Emma Denniss, or President - Yvette Schweiger or Secretary - Sally Carr in between the times of meetings, or by placing your $1 on an envelope with your name and contact details, and handed to the office staff.

Positions open for nominations are President, 2 Vice Presidents, Secretary, Treasurer and Sub-Committee Leaders.

School Banking 2015 is ready for launch.

For over 80 years, the School Banking program has been teaching Australian children lifelong money skills. This year, your child is invited to join the Dollarmites on an intergalactic mission to Planet Savings.

Information on how students can get on board with School Banking, including a Savings Tracker and a rewards redemption card, is available from your School Banking Co-ordinator.

Your school has received parent packs that include all the information you need to get on board. If you haven’t received a parent pack yet, please ask your School Banking Co-ordinator.

Rewarding good savings habits with eight new items in 2015

The School Banking program encourages good savings habits by rewarding students with awesome reward items. For every 10 deposits made through the program, they can redeem a reward from our Outer Space Savers range, including ET DVDs, Planet Handballs, Invisible Ink Martian Pens, Intergalactic Rockets, Glow-in-the-Dark Solar Systems, Cosmic Light Beam Torches, Outer Space Savers Money Boxes and Lunar Light Bands.

You could win a family trip to Disneyland

In a School Banking first, students who make 25 or more School Banking deposits in 2015 will automatically receive one entry into the competition draw to win a family trip to California’s Disneyland. The prize includes return airfares, five nights accommodation, transfers and three days park entry for up to two adults and two kids, plus AUD$2,000 spending money.

For more information, visit commbank.com.au/schoolbanking

Things to know before you Can: Conditions apply. Promotion starts 0.00am AEDT 27/1/15 and ends 11.59pm AEDT 18/12/15. Entry is open to all Youth saver account holders aged 5–13 years who participate in ComBank’s School Banking program. Entrants under 18 must have parent/guardian consent. The draw will take place at 12.30pm AEST on 1/1/16 at the Promoter’s office. The first valid entry drawn will win a family trip to California’s Disneyland valued at $22,245. The winner’s name will be published in the public notices section of The Australian on 26/1/16. Promoter is Commonwealth Bank of Australia ABN 49 122 122 124 of Level 2, 11 Harbour Street, Sydney NSW 2000. After School Classes at Terrigal PS

Come and join us on a journey of TRANSPORTATION throughout our history

Learn awesome facts about the first Airplane, Train, Horse and Buggy, Rail Crossings, Cars, Dragsters and much more, and build each model using engines and motors from a blue/green or black diamond level model plan! Fun and educational - but best of all the kids LOVE it!

Register online at http://bricks4kidzaustralia.com.au/nsw-central-coast/ or call Briony on 0468 452 047

Term 1 starts Wed 11th February, 3.00pm-4.15pm
$15 per class
