Dear Parents,

How quickly a term finishes! Soon we will be in the final stretch for 2013. Term 4 commences on Tuesday, 8th October and finishes for the students on Wednesday, 18th December. The teachers continue on with two professional learning days in this last week.

For our Internship teachers, it is the closing of one chapter and the beginning of a new one – a sad and happy moment. Sad, because they will need to say their farewells to the students and the colleague teachers they have been working with. Happy, because they will all be fully-qualified teachers ready to join the workforce. (...and get paid for it !). Terrigal Public School has indeed been very fortunate to have hosted these outstanding young professionals. Hopefully we will be able to offer some casual work to them in the future.

Thank you and farewell Rachel Perry (Learning Support), Jessica Cleal (26H), Nioka Finnelley (24B), Renee Hoppe (2D), Gemma Cooper-Smith (25G) and Ashleigh Burns (Learning Support).

The TFFF (Terrigal Family Fun Fair) is quickly approaching! Put a big circle around the 12th October on your calendars. Organisers are in the critical stages of their planning. It’s like the building of the Sydney Harbour Bridge – we’re all keen to see it come together! A big thank you to Sally Austin and all her helpers for the fantastic job they’ve done so far.

Year 5 students have enjoyed four days up at the Great Aussie Bush Camp near Tea Gardens. There’s sure to plenty of tired but happy campers returning on Thursday afternoon. Thank you to staff members Matt McLeod, Kath Lester, Ben Krisher and Gabbie Barry for their organisation, supervision and long hours away from home this week.

I wish all children, their families and staff members a happy and relaxing holiday. Take care on the roads, in the water and in the sun.

Ben Hogan
Relieving Principal

Ms King is the teacher of 4K and has worked at Terrigal Public School for 10 years. In her spare time she enjoys renovating, gardening, long distance running and spending time with her family and friends.

Ms King became a teacher because she loves kids and enjoys their company. She has taught at several other schools over the years, some of which include Holgate, Woodport, Chertsey and Chittaway Bay.

Ms King’s favourite music to listen to is disco, her favourite foods are sweets and desserts and her favourite sport is long distance running. If Ms King was not a teacher she would love to be a florist or a landscape gardener.

As you can see Ms King is a fun and bubbly teacher and she loves working at Terrigal because of the lovely kids and staff.

**A Big Thank You from Angela and the Ronalds**

Thank you to the wonderful staff at Terrigal PS for organizing the trivia night, to the parents, to everyone else who helped make it possible, and to all who attended. I’d also like to thank all the individuals and businesses who so generously donated prizes. I felt completely overwhelmed by everyone’s kindness and support. It meant so much to me and to my family. My speech is improving and I’m sure it’s because of all the positive energy from everyone in the Terrigal community. I feel humbled and grateful. So thanks to everyone. Missing you all, especially 4R! Have a safe holiday.

**School Banking**

School Banking Update: Redeem your tokens for a moneybox this year!

In 2014 the School Banking program will be launching a new set of exciting reward items for students to redeem their tokens for. Each reward item will continue to be valued at 10 tokens (i.e. 10 deposits) and there will be **Two new** reward items for students to choose from **each term**.

With exciting new reward items on offer in 2014, please be aware that the **Dollarmite moneyboxes will no longer be available next year**. To avoid any child missing out on claiming their moneybox, please let your children know of this change and encourage them to redeem their moneybox this school year.

In an effort to ensure your child doesn’t miss out, the rule of one moneybox per year has been removed. If your child is trying to collect the series of Dollarmite moneyboxes, they are encouraged to do so before the end of the school year. Please understand that the still need to redeem each moneybox for the required 10 tokens.

Alex Wright

The P&C is made up of all types of people, who contribute in many different ways. It has been great to see over the past year; different people come together for one common reason, our children.

It has been wonderful to see people that cannot donate time at school (due to work, younger children etc) donate time at home working on other projects when they get a chance. This type of help is invaluable and always needed.
This week a special mention must go to an amazing lady - Alex Wright, she has worked with us this year on so many wonderful P&C projects.

She has worked with us on:
- TFFF logo
- TFFF posters and brochures
- Canteen sign (that has just gone to the sign maker and will be up in Term 4)
- New P&C logo.

To name a few, we are still working on other projects that will be announced soon.

Alex is such an easy person to work with and has great pride in her work, which shines through.

From 1st August 2013 any items of secondhand uniform on consignment with the Uniform Shop will be held for 6 months. After this time the items must be collected, or they will become the property of the P&C.

If you currently have items which have been on consignment for longer than 6 months please email tpsuniform@gmail.com to let us know if you would like them returned.

NB. You can give or sell your items of preloved uniform on Facebook (please complete these details Yvette as I don’t have them on me)

Thank you Alex for all your hard work, we know it has been hard to balance your own business and help with P&C projects.

The Uniform Shop is now online with Flexischools!

If you are not already registered for Flexischools then please follow these instructions to help you (it will only take a moment). You will be able to place online Uniform Orders from the comfort of your home & have them sent home with your child on Wednesdays.

**EASY, ONLINE REGISTRATION**
- Go to www.flexischools.com.au
- Click REGISTER NOW
- Enter your email
- You will be emailed a link to an online form - follow the link
- Choose a username and password and complete the form
- Add each student and their class
- Top-up the account - VISA or Mastercard preferred.

If you need to exchange for a different size then simply return the item, with an accompanying note addressed to the Uniform Shop, stating your child’s name, class and the required size.

Does your child hate reading, are they a reluctant reader or do you just want your child to understand the value of reading?
If you answered “Yes” to any of these questions then the book “I hate reading” is the book for you. The purpose of this book is to help children understand the value of reading (in a way that is relevant to them).

Summary of the story – ‘I hate reading’
Seven year old Josh hates reading his readers and wants nothing to do with reading. His Mum makes an offer that all the family can stop reading and writing for the whole two weeks of the school holidays. Josh thinks it will be awesome, but as EVERYTHING goes wrong he soon discovers just how important reading is!

Some of the pictures from the book & a brief description of these pages

When they can’t read the labels on the tins of food Josh gets asparagus instead of corn 🌽

When Josh discovers he has a party invitation, but he can’t read it and he’s worried he’ll miss out 🎈

This book is just $10 (and 30% of this is donated back to the school to support your children’s learning) The book can be purchased through the office or directly from the author who will be outside the school office on the Friday mornings of 20/9 & 11/10.
